- "The power of the eyes is at times more effective than any words one can speak" (Maria Koszler)

The eyes have it!

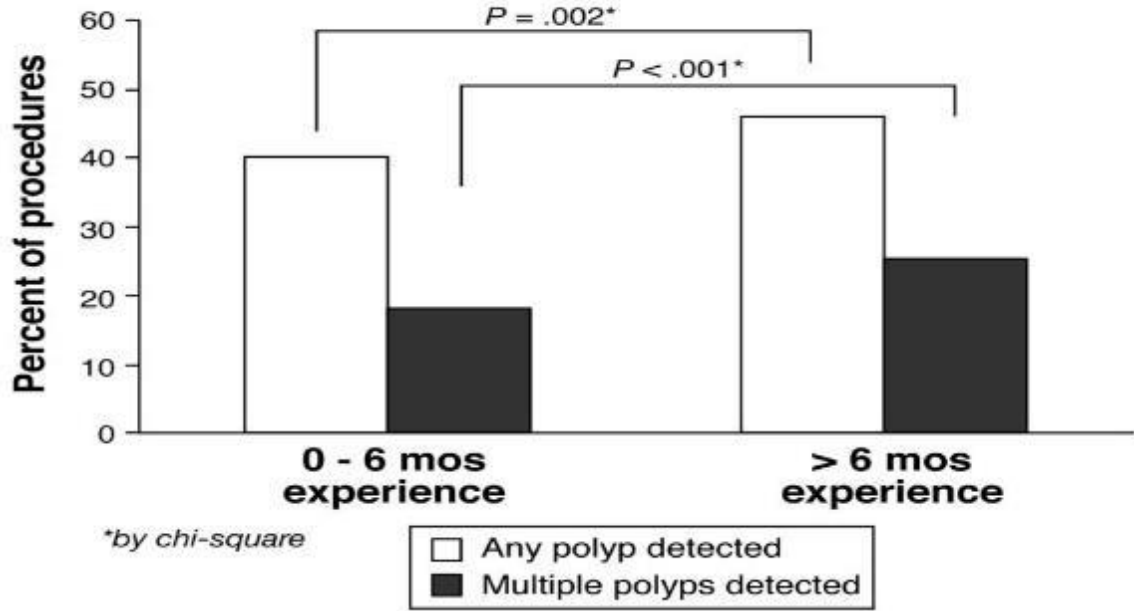

The logo features a central white circle containing the text 'Time to screen'. To the right of this circle, the words 'National Bowel Screening Programme' are stacked vertically. The entire graphic is set against a background of overlapping, semi-transparent green circles of various shades, creating a layered, organic effect.

The eyes have it!

- The Present

The eyes have it!

- The Future ?

Nursing Shared Governance

- Empowered
- Have a voice
- Autonomy is valued
- Nurses have control over their practice
- Enhanced work environment
- The challenge is to develop those **second sets of eyes**

Challenges

- Retaining staff/Recruiting
- Development and acknowledgement of expert practice (PDRP)
- Long-term mentorship/training (DOPs)
- Best Practice and technology changes
- Nurse/Physician/ Patient Satisfaction
- Quality Indicators- continuous reflection and improvement
- Promote interdisciplinary interaction and relationships

The eyes have it!

So in conclusion, we must value the endoscopy team, value the relationships and value the knowledge- old and new. Valuing those eyes...

THANK YOU
